## The New American Gothic

Grant Wood's American Gothic painting, depicting a hard-working farmer and his daughter, reminds us of rural Midwestern life. When the final school bell rings this summer, we'll have served over five million lunches featuring almost 200,000 pounds of Minnesota-grown produce. We're thankful to the hard-working farmers whose work, passion and dedication still nourish our children.

Mix it Up at Lunch is simple: take a new seat in the cafeteria. By moving to a place where students don't normally sit, they can begin to create a school environment that is less segregated by groups and cliques. Out for Equity is helping to facilitate Mix it Up at Lunch Day. For ideas about how your school can participate in this valuable day, visit <a href="http://www.mixitup.org">www.mixitup.org</a> or contact Out for Equity at 651-523-6322.</p>  |   |                                |                                |

**These Choice Bar vegetables will be locally sourced while the season lasts:**  
 Cabbage (Shredded Salad Greens)  
 Carrots • Cucumbers  
 Onions • Peppers • Zucchini

**Test will identify students for gifted services**

Saint Paul Public Schools (SPPS) will be using the Naglieri Non-verbal Ability Test, Second Edition (NNAT2) to identify students who are eligible for gifted services within the school district. This year, NNAT2 testing will be held the first week of December. Gifted services provide challenging and fast-paced learning programs for students who have the ability to do work at a level above what is expected at their grade in school. Students who have previously been identified as eligible for gifted services are not affected by this test and will continue to receive services.

SPPS will offer the NNAT2 to all kindergarten students and all students in second grade that previously weren't identified in kindergarten or first grade. Parents of students in grades 1, 3, 4 and 5 should talk to their child's teacher to discuss whether their child may be eligible to receive special permission to take the test at their child's current grade level based on high test scores and outstanding school work. November 2nd is the nomination deadline for nominating students to take the NNAT2 in December.

Students will take the NNAT2 for one hour on one day at their school between Dec. 1 - 8, 2009. Families will be notified of final results before the school choice deadline on Mar. 5, 2010.
